# Introduction

Dogs are a big responsibility. They might hide from you. Give them a bath with dog shampoo. Dogs love kids. All you want to know is in this book.

Live loction to find a dog

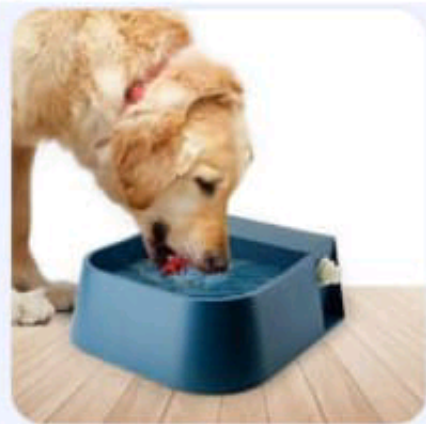

To take care of a dog, you need to: [checklist.com +1](#)

- Provide your dog with dry dog food on a daily basis, without added chemicals or fillers.

[checklist.com](#)

- Give your dog a water and food bowl that fits his or her feeding needs, and always leave fresh water out. [checklist.com](#)

- Provide your dog with the essential vitamins. [checklist.com](#)

- Keep your dog free of biting pests. [checklist.com](#)

- Provide your dog with a comfortable dog bed or pillow, and a dog crate or carrier. [pawster.com](#)

- Provide your dog with a dog collar and/or harness, and a dog leash.
